

# ACCG Collaborative Update

SCALE Meeting  
July 2023

Michael Pickard,  
Sierra Nevada Conservancy  
South Central Subregion Area  
Representative

# Amador-Calaveras Consensus Group

- Volunteer-based collaborative.
- Triple Bottom Line approach.
- Founded in 2008, received CFLR Funding in 2011.
- Post CFLR Funding, focus has shifted to landscape-scale planning and treatments.

# Forest Projects Plan (FPP), Phase 1

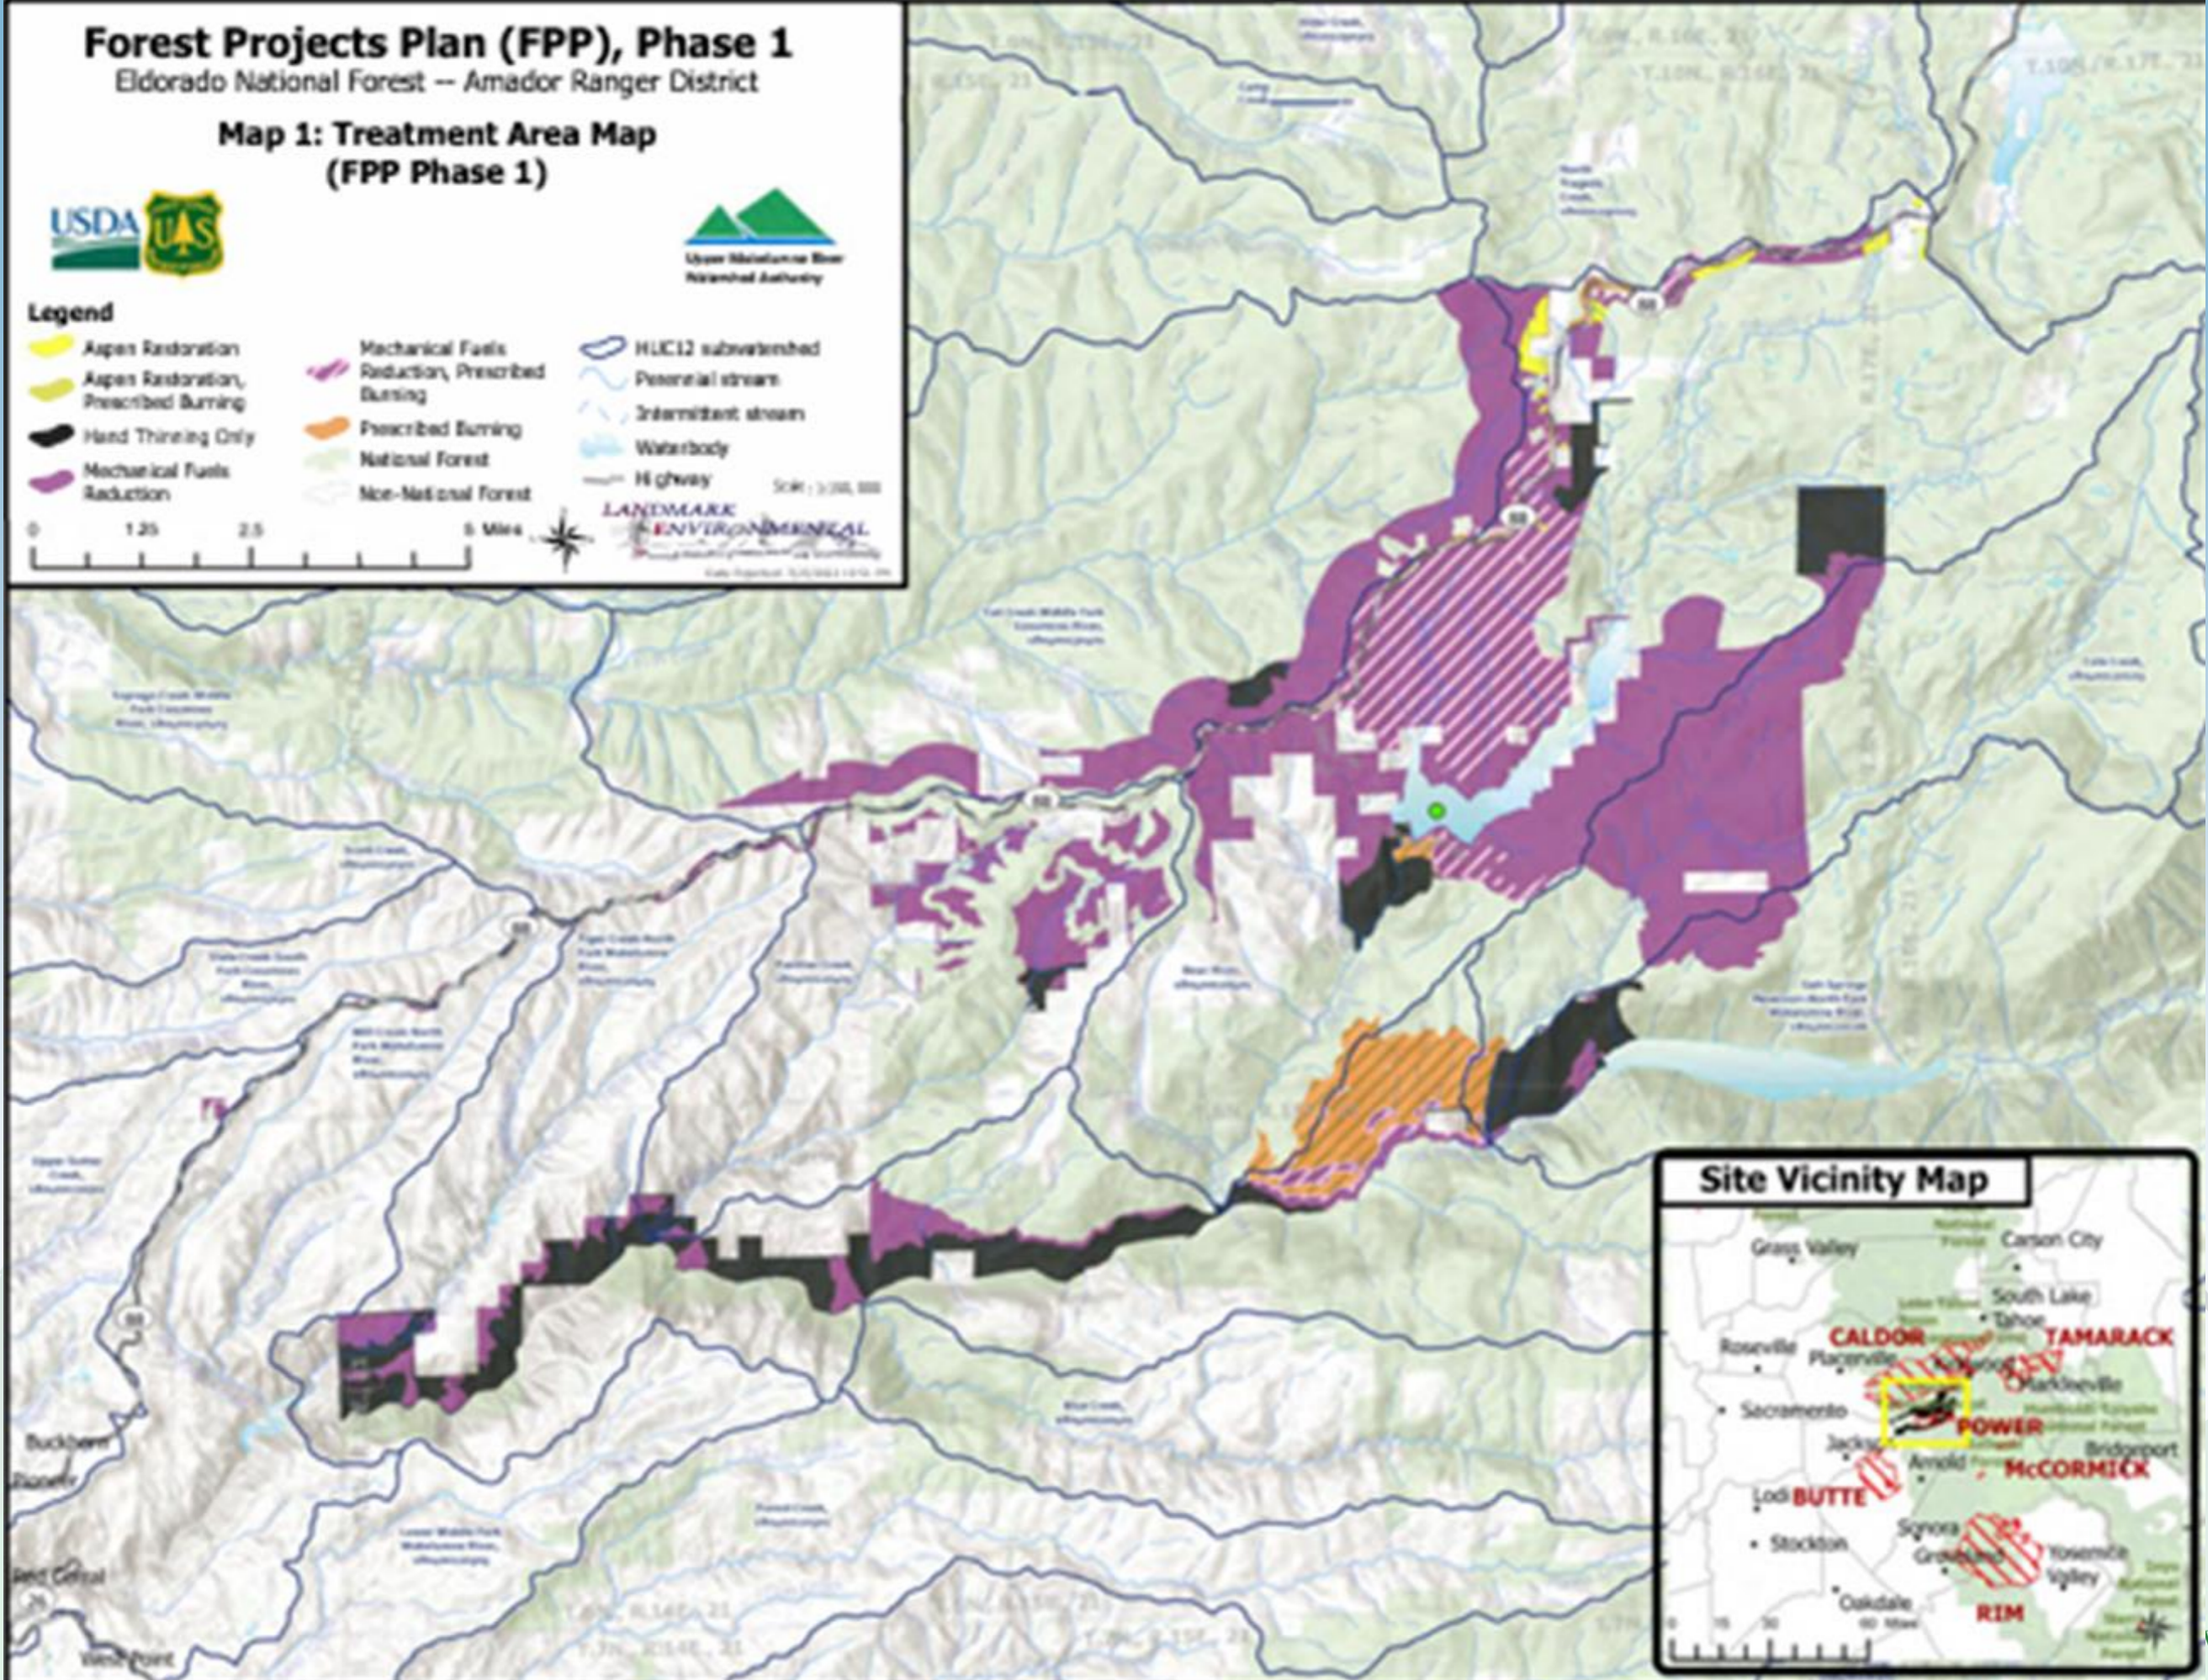

Eldorado National Forest -- Amador Ranger District

## Map 1: Treatment Area Map (FPP Phase 1)

### Legend

- |                                       |  |                     |
|---------------------------------------|--|---------------------|
| Aspen Restoration                     | Mechanical Fuels Reduction, Prescribed Burning | HUC12 subwatershed  |
| Aspen Restoration, Prescribed Burning | Prescribed Burning                             | Perennial stream    |
| Hand Thinning Only                    | National Forest                                | Intermittent stream |
| Mechanical Fuels Reduction            | Non-National Forest                            | Waterbody           |
|                                       |  | Highway             |
- Scale: 1:200,000
- LANDMARK ENVIRONMENTAL
- 0 1.25 2.5 5 Miles

# Forest Projects Plan (FPP), Phase 2

Eldorado NF, Amador Ranger District & Stanislaus NF, Calaveras Ranger District

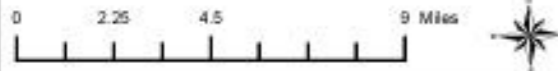

## Map 1. Project Area
